**WHEREAS**, the World Health Organization (WHO) and United States Centers for Disease Control and Prevention (CDC) have advised that there is a correlation between density of persons gathered and the risk of transmission of COVID-19; and

**WHEREAS**, close proximity to other persons is currently contraindicated by public health and medical best practices to combat COVID-19; and

**WHEREAS**, efforts to treat, prevent, or reduce the spread of COVID-19 may make it medically necessary and reasonable to require individuals to remain in isolation or quarantine at their homes or otherwise remain indoors; and

**WHEREAS**, for the reasons stated herein, courts across Nevada, in consultation with the Chief Justice of the Nevada Supreme Court, have limited their operations to essential matters during the pendency of the COVID-19 pandemic; and

**WHEREAS**, certain legal actions and proceedings are subject to timelines and requirements that are impracticable during a period of a public health emergency and reduced court operations; and

**WHEREAS**, certain governmental and quasi-governmental licenses and permits require periodic renewal and may expire during a time when governmental resources necessary for renewal are unavailable or less accessible to the public; and

**WHEREAS**, NRS 414.060 outlines powers and duties delegated to the Governor during the existence of a state of emergency, including without limitation, directing and controlling the conduct of the general public and the movement and cessation of movement of pedestrians and vehicular traffic during, before and after exercises or an emergency or disaster, public meetings or gatherings; and

**WHEREAS**, NRS 414.070 outlines additional powers delegated to the Governor during the existence of a state of emergency, including without limitation, enforcing all laws and regulations relating to emergency management and assuming direct operational control of any or all forces, including, without limitation, volunteers and auxiliary staff for emergency management in the State; providing for and compelling the evacuation of all or part of the population from any stricken or threatened area or areas within the State and to take such steps as are necessary for the receipt and care of those persons; and performing and exercising such other functions, powers and duties as are necessary to promote and secure the safety and protection of the civilian population; and

**WHEREAS**, Article 5, Section 1 of the Nevada Constitution provides: “The supreme executive power of this State, shall be vested in a Chief Magistrate who shall be Governor of the State of Nevada”:

**NOW THEREFORE**, by the authority vested in me as Governor by the Constitution and the laws of the State of Nevada and the United States, and pursuant to the March 12, 2020 Emergency Declaration,
