## **FOURTEENTH MODIFICATION OF THE DECLARATION OF A STATE OF EMERGENCY FOR THE STATE OF DELAWARE DUE TO A PUBLIC HEALTH THREAT**

**WHEREAS**, the Centers for Disease Control and Prevention (“CDC”) has determined that a novel coronavirus (“COVID-19”) presents a serious public health threat, and has advised the public that asymptomatic individuals may be carriers of the COVID-19 virus and may unknowingly spread the virus to other individuals in close proximity, and therefore, social distancing is required to help mitigate the individual exposure to (and community spread of) the COVID-19 virus; and

**WHEREAS**, it is in the best interests of the State to protect its citizens from a public health emergency that could threaten the lives of those who live and work here; and

**WHEREAS**, on March 12, 2020 at 3:00 p.m. E.D.T., I issued a State of Emergency due to the public health threat of COVID-19, which became effective as of 8:00 a.m. E.D.T. on March 13, 2020 (the “COVID-19 State of Emergency”); and

**WHEREAS**, on March 16, 2020 at 2:00 p.m. E.D.T., I issued the First Modification to the COVID-19 State of Emergency declaration to advise that the CDC issued new guidance for large

events and mass gatherings, recommending that organizers halt gatherings of 50 people or more for the next eight weeks due to the public health threat of COVID-19, including conferences, social events, concerts and other types of assemblies; and

**WHEREAS**, on March 18, 2020 at 2:00 p.m. E.D.T., I issued the Second Modification to the COVID-19 State of Emergency declaration that modified the limitations on public gatherings of 50 or more people and, among other things, placed certain restrictions on the operation of certain businesses and facilities in the State of Delaware; and

**WHEREAS**, on March 21, 2020 at 12:00 p.m. E.D.T., I issued the Third Modification to the COVID-19 State of Emergency declaration to close all Delaware beaches, except to persons using the beaches for exercise or to walk their dogs, subject to certain precautions recommended by the CDC on COVID-19, which became effective as of 5:00 p.m. E.D.T.; and

**WHEREAS**, on March 23, 2020 at 4:00 p.m. E.D.T. and 4:02 p.m. E.D.T., respectively, I issued the Fourth and Fifth Modifications to the COVID-19 State of Emergency declaration to close all non-essential businesses in Delaware, except those that can offer goods and services on the Internet, and to order a Shelter in Place for Delaware residents; and

**WHEREAS**, on March 24, 2020 at 4:00 p.m. E.D.T. I issued the Sixth Modification to the COVID-19 State of Emergency declaration to provide a moratorium on evictions and foreclosure proceedings to enable Delawareans to shelter in place safely, extended the presidential primary, provided for absentee balloting during the COVID-19 crisis, provided for a modified state procurement process, and placed a moratorium on cancellation of insurance policies for delay in premium payments caused by the economic uncertainty; and

**WHEREAS**, on March 29, 2020 at 4:30 p.m. E.D.T., I issued the Seventh Modification to the COVID-19 State of Emergency declaration to provide for the self-quarantine of travelers from areas severely impacted by COVID-19 outside the State of Delaware into the State; and

**WHEREAS**, on March 30, 2020 at 5:00 p.m. E.D.T., I issued the Eighth Modification to the State of Emergency declaration to permit a comprehensive approach to the provision of childcare in the State of Delaware during the State of Emergency to support essential workers; and

**WHEREAS**, on April 1, 2020 at 3:00 p.m. E.D.T., I issued the Ninth Modification to the COVID-19 State of Emergency declaration to permit a comprehensive approach to the provision of childcare in the State of Delaware during the State of Emergency to support essential workers; and

**WHEREAS**, on April 6, 2020 at 6:00 p.m. E.D.T., I issued the Tenth Modification to the COVID-19 State of Emergency declaration to further restrict the operation of non-essential businesses to limit the spread of COVID-19; and

**WHEREAS**, on April 10, 2020 at 3:30 p.m. E.D.T., I extended the COVID-19 State of Emergency declaration, as modified; and

**WHEREAS**, on April 15, 2020 at 9:00 a.m. E.D.T., I issued the Eleventh Modification to the COVID-19 State of Emergency declaration to provide increased guidance and support to long-term care facilities to protect our most vulnerable populations and permit remote notarization under limited circumstances; and

**WHEREAS**, on April 23, 2020 at 4:15 p.m. E.D.T., I issued the Twelfth Modification to the COVID-19 State of Emergency declaration to allow the Public Health Authority to activate more out-of-state health care workers to assist in Delaware's fight against COVID-19; and

**WHEREAS**, on April 25, 2020 at 4:00 p.m. E.D.T., I issued the Thirteenth Modification to the COVID-19 State of Emergency declaration to require the use of cloth face coverings in public settings where other social distancing measures are difficult to maintain, including in grocery stores and pharmacies, especially in areas of significant community-based transmission; and

**WHEREAS**, COVID-19 has created significant obstacles for tenants who are attempting to obtain new housing and these obstacles can prevent tenants from being able to move out of their existing rental units at the end of their leases through no fault of their own; and

**WHEREAS**, the provision in Section 5515, Title 25 of the Delaware Code allowing a landlord to assess double rent from holdover tenants penalizes tenants who fail to vacate their rental units at the end of their leases, thereby incentivizing tenants to vacate their units even if they have not secured adequate alternative housing; and

**WHEREAS**, the intent to the Sixth Modification to the COVID-19 State of Emergency declaration was to suspend and prevent all such penalties during the State of Emergency; and

**WHEREAS**, the assessment of such a penalty at this time is contrary to the interest of preserving public health and ensuring that individuals remain in their homes during the public health emergency; and

**WHEREAS**, certain persons age 65 and over who may qualify for the Senior School Property Tax Credit Program must file new applications in each County by April 30th of each year; and

**WHEREAS**, it is in the public interest to extend the 2020 application deadline to ensure the health and safety of potential applicants that may require additional time to meet the application

documentation requirements while following current shelter-at-home and social distancing requirements under the State of Emergency; and

**WHEREAS**, for public health reasons during the COVID-19 pandemic, it is important that those who certify a person's death do so electronically.

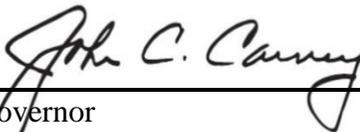

**NOW THEREFORE, I, JOHN C. CARNEY**, pursuant to Title 20, Chapter 31 of the Delaware Code, in an effort to control and prevent the spread of COVID-19 within the State of Delaware, do hereby order that the COVID-19 State of Emergency declaration, as modified by the First through Thirteenth Modifications and extended on April 10, 2020, shall remain in effect until further notice, with the following modifications and additions:
